

## **Increase Your PTA's Returns from Ralphs & Albertsons Partner Programs**

### For Ralphs Grocery Stores:

Your organization coordinator can request an NPO Scan bar code to be mailed to you. You can either scan and email the bar code to your members or make copies of the bar code and send them home with the students. Members can swipe the Scan bar code in conjunction with your Ralphs rewards Card/phone number at the register to link your Card with your organization. This is the only way to link cards up to your school unless each member logs in and links up individually. Have your members link their cards every September. (no sooner, as info is deleted each Aug 31)

To get the scannable bar code, contact:

Ralphs Grocery Company  
Gift Service Department  
P.O. Box 54143  
Los Angeles, CA 90054  
Fax: 310-884-2648 or 310-884-2665

### For Albertsons Stores:

Your unit can collect the 11 digit community partner ID, the member's name, and the member's phone number that was used to sign up for the card. You may submit this information to Albertsons in excel format and FAX your completed form to: 1-800-242-7041 or mail it to:

Community Partners  
Headquarters  
P.O. Box 193  
Bethel Park, PA 15102-0193

Remember to make a copy of the form you create and send it again March 1<sup>st</sup> as info is deleted each February.
